I-VII: 12:00 - 22:00

Luxury and romance reign in the Gralis restaurant. Here, guests have the opportunity to observe the change and diversity of the seasons, as nature goes from dying to blossoming and flourishing throughout the year.

European cuisine is offered to guests. In the hands of the restaurant's kitchen

masters, the recipes turn into a work of art on a porcelain plate, and a high level of service is guaranteed by an experienced and attentive staff.
