The largest and the most modern in the Baltic countries hot air balloon accommodates up to 16 people! United team of "Amberton Air" and "Hot Air Lines" with unabashed pride presents unique in the Baltic countries flying restaurant! It is truly exceptional blend of air balloon voyage and special meal, made by one of the leading chefs of the country and offered special for You. Fly with the most modern and largest air balloon in the country, taste and enjoy, while we promise that felt impressions would definitely get You above the heaven! Air ballooning sessions are

arranged in all spots of Lithuania! Participants: Service is provided for groups of 14-16 people. Duration: 1 hour of voyage (3 hours with preparation). Service includes: voyage coaching, ballooning, dinner (the first part waits for You on the ground right before the voyage, another one is served during the fly), transportation to the start point. Time: Ballooning sessions are arranged in the evening at 18-21pm. Weather conditions: Hot air balloon voyage depends on weather conditions, such as cloud age, precipitation, observability, wind power. Usually, meteorological conditions are foreseen, but sometimes the forecast may be inaccurate or incomplete. Thus, even arrived to the start point, voyage may be rescheduled due to the safety issues. Clothing: Preferably cotton, which covers the whole body. Wearing high- heeled shoes is forbidden!
