NEODENTA is the largest and most experienced Lithuanian clinic of dental implants and cosmetic dentistry which has already been operating more than 20 years. Our main purpose is to provide the best quality, professional dental care services for our patients and to use the newest, modern implantology and odontology solutions.

The main strength of our clinic is the team of professional, experienced specialists.

Treatment quality is assured by clinicians of highest qualifications, who are constantly seeking how to improve their professional knowledge. Also they are finalists of various international cosmetic dentistry competitions. So our patients are sure that dentists on NEODENTA will always suggest the optimal treatment solution, teach how to look after their teeth to keep them shiny and healthy. For our foreign patients, we can provide treatment package ALL INCLUDED with full dental treatment, accommodation and leisure time in Lithuania, if needed.

We also can integrate various beauty, spa or medicine procedures in cooperation with our partners in Lithuania. NEODENTA guarantees the newest technologies, innovations, diagnostic methods, all included care and experience to each client, who visits our clinic!

WE CAN OFFER ALL DENTAL SERVICES:

Dental implants, ALL-ON- 4 implants, Cosmetic dentistry, Porcelain veneers, Restorative dentistry, Orthodontics, Endodontics, Dental surgery, Pediatric Dentistry, Oral Hygiene, Teeth Bleaching, Facial Aesthetics, Plastic surgery.
