Hospital of Lithuanian University of Health Sciences Kaunas Clinics (Lithuanian: Lietuvos sveikatos mokslų universiteto ligoninė Kauno klinikos) is the largest and the most advanced medical institution in Lithuania and Baltic States. The entire hospital complex is 160 thousand square meters over an area of 36 hectares. Within the 15 on-campus buildings, there are 35 departments with different clinical profiles and 15 departments for patient care. As of 2009, more than 1200 medical doctors and 2500 nursing specialists are working at the hospital.
