City center

Construction of the palace with a magnificent history was completed in 1928 against the design project of the architect Edmundas Frykas. Located in the very centre, Kaunas State Philharmonic is a very convenient place to get to, both in Lithuanian and local geographical terms, with hotels and restaurants nearby. Kaunas State Philharmonic is an excellent venue for concerts, festivals, conferences, receptions and celebrations. Cosy halls representing historical classics, spacious lobbies, wireless

internet, lift and all facilities for the disabled are at your service.
