The trip commences at Old Town Wharf of Kaunas near the Church of Vytautas The Great.

You will enjoy the most prominent architecture of Kaunas Old Town from a different perspective. The ship will sail through the confluence of rivers Nemunas and Neris, and later the waters of river Nevėžis will join Nemunas. The sightseeing of old and modern architecture of Kaunas District will follow you until town Kačerginė is reached. A stopover for 1:30 hours will allow you to stroll around

Kačerginè places of interest and pinewood. Historically Kačerginè is famous to locals by its natural beauty and attracts visitors for fresh pine-scented air therapy. The ship is also available for private group hire. A variety of routes and time tables are available for groups.
