"I proudly present what this season offers to you - The Monte Pacis Show - a 6 course tasting menu reflecting our kitchen's union and fiery professionalism and experience, modern cooking techniques and even the history of Pažaislis. I hope that the changing flavours, aromas, textures and pleasant surprises on the plate will not prolong and will be reminiscent of a good theatrical play. And for the guest who is in a hurry we can offer the shorten tasting menu of 3 courses." Raimundas Dambrauskas - Monte Pacis restaurant Head Chef
