OCPC LOUNGE is probably the best entertainment space in Kaunas, with all virtual and digital entertainment areas under one roof! In this space you will find 10 powerful gaming computers, the latest and retro PlayStation and Xbox consoles, 2 driving simulators, and 4 virtual reality glasses. The space has space for up to 35 people and a space for 25 people to play at the same time, so it can also accommodate large groups of people!

With so much entertainment equipment in one place, it's simply impossible to avoid getting involved regardless of your gender, age and status, so get ready to immerse yourself in entertainment in a different way! Celebrate the holidays, party and just come and spend your free time here!
