Renewed 40 years counting theatre connects theatrical traditions with new "fashions" of scene arts, reflects past from today's point of view, presents heritage in a modern forms, opens ways for new discoveries for everyone. It is a theatre, where it is unimportant your public status and exist no labels, where people, who cares about theatre as a communication measure, always gather to share their ideas. Theatre community tries to understand itself as a part of the Kaunas city, its function and together with the audience searching for the way it is worth to go,

cherishes, creates, saves and develops professional drama theatre tradition, in creative way searches for new forms, stimulates development of theatrical art, presuppose synergy of traditions and innovations.
