COGNITIVE TRAIL OF KAMŠA RESERVE

Tako g. Akademija, Kauno raj.

This is a cognitive trail starting on the campus of the Academy and going through the Kamša Botanical and Zoological Reserve. The total length of the path is about 1.5 km long, so it is an excellent solution for those who are into short but pleasant walks. Information stands can be found on this trail - a walk will not only benefit your body but will also enrich your knowledge of the local flora and fauna. The cognitive trail can be completed by lending down the stairs towards the Kaunas - Kačerginė bicycle path. Cyclists should not be disappointed - these stairs are

adapted for you too, you can take your bikes here by driving it to a specially adapted area on the side of the stairs to up or down.
