 info@kaunasin.lt

Italians have loved Kaunas since ancient times. The Old Town is full of stories dating back to the 16th century, involving famous people, religion and buildings. You won't believe it, even the famous modernist architecture of Kaunas has Italian roots! In Kaunas New Town you will easily find buildings that have been influenced by the sciences of the two most famous interwar architects in Italy.

Little Italy right here, take a time and get to know each other.
