Kaunas tourism information center and convention bureau offers a unique possibility to see the underground Kaunas and provides a glimpse of the real spirit of catacombs! If you are not afraid of ghosts, sleepwalkers □ breathing, or rattling chains, this tour is just for you! According to ancient legends, there is a labyrinth of catacombs under Kaunas, connecting various buildings in the Old Town. Kaunas was a city-fortress, and parts of its fortifications and catacombs can be visited to see places formerly accessible only to the privileged.
