ARRIVAL TO KAUNAS

Kaunas is the second-largest city in Lithuania, situated in the centre of the country. It is also at the confluence of Lithuania's two biggest rivers! Here are the most convenient ways of travelling to Kaunas and getting around the city.

Travelling to Kaunas

By car

Travelling to Kaunas by car is hassle-free from Riga, Warsaw, Vilnius, Klaipėda and pretty much the rest of the cities in the surrounding region. In the central part of Kaunas, parking fees are applicable from 8 am to midnight daily, or from 8 am to 8 pm daily. There are no charges on public holidays or during Kaunas City Day celebrations. To pay for parking, you can use the [Unipark](#) app, your contactless bank card or Euro coins. [More on parking in Kaunas here.](#)

By bus

Kaunas Bus Station is one of the most modern in the region - not only it looks great in pictures, but is open 24/7 and offers plenty of activities for those waiting for intercity and international buses. Jazz concerts and movie screenings pop up from time to time - consider yourself lucky if you catch one! Intercity and international coach services are provided by Kautra, Eurolines, Ecolines, Flixbus, Taks and Lux Express. Check the timetables and buy tickets online. The bus station is not far from the city centre - it takes less than 15 minutes on foot to reach St. Michael, the Archangel (Garrison) Church (also known as Soboras), one of the landmarks of Kaunas. www.autobusubilietai.lt

By train

Kaunas is conveniently accessible by train from Vilnius and other cities in Lithuania and abroad, including Warsaw and Krakow. The ongoing Rail Baltica project will further enhance connectivity, providing fast and comfortable connections between Kaunas, Riga, Tallinn, and Warsaw. Laisvės alėja, the main street in Kaunas, is just a 15-minute walk from the railway station. For timetables and ticket purchases, it is recommended to check online www.ltglink.lt.

By plane

You can fly directly to Kaunas from more than 20 cities in Europe (check the timetables on the website of Kaunas International Airport). Kaunas International Airport is located in the central part of the country, 14 km northeast of the Kaunas city centre and 100 km west of the capital Vilnius. Hop in the city bus #29 (its timetable is adjusted to the arrivals schedule) to reach the city centre for the most affordable price - 1 Eur! Regular taxi (we recommend the eTaksi, eTransport, BOLT app, UBER app is also an option, but less popular), CITYBEE and BOLT car sharing service are all available at the airport too. Conveniently, a shuttle bus can take you to Vilnius, Klaipėda and Riga or to Kaunas International Airport from the aforementioned cities.
