

Kaunas 2022

INTERNATIONAL DAY OF HAPPINESS

2023 March 20th

In 2018, the team of "Kaunas and Kaunas District - the European Capital of Culture 2022" has become the ambassadors of the International Day of Happiness in Lithuania. They are convinced that Kaunas is a city of happy people. On March 20, we talk about extremely important topics - happiness accessible to everyone and everywhere, the importance of sustainability and emotional health. This year, communities and artists around the city promise to continue traditions and not only to surprise with numerous events or gatherings but also to turn Kaunas and Kaunas

district into a big stage of unforgettable performances once again.

When: March 20 d.
